Refer a Friend and Get a Special Reward

Tell friends or family about saving with our family plan, our latest award-winning phones, or tell them about how much you love being on America's most dependable 3G Network.

If you refer a friend or family member and they activate a new line of service with Sprint with a two-year Agreement, whether with a phone or a Mobile Broadband connection card, you will receive a \$50 Visa debit card and your friend or family member a \$25 Visa debit card for each new line activated just to say thanks.

You can use the debit card anywhere Visa cards are accepted.

Refer your friends or family today. Make sure they activate a new line of service anytime between 7/12/09 and 10/31/09. You can earn **\$50** for each new line activated, up to **\$600** for 12 new lines before 10/31/09.*
